These are among the very finest building sites in the entire San Diego backcountry area. This is an ideal investment for future returns, or a great place to build a private estate. The Julian area is a well known get-a-way for city residents from all over Southern California. Tourism is now the primary draw, replacing the mining interests when Julian's population rivaled that of the City of San Diego. There are many fine restaurants and lodging accommodations in the immediate area of this centrally, yet privately located property. Major shopping and resources are no more than 35 minutes away. There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing at Warner's Ranch and Borrego Springs, hunting and fishing, dining, and a variety of other opportunities for each family member. The newly opened Santa Ysabel Open Space Preserve offers excellent riding trails connecting the Santa Ysabel, Wynola, and Julian communities. The famous Hale Observatory on Palomar Mountain is less than 30 minutes away.
